## PLANNED MAINTENANCE AGREEMENTS

Heating & Cooling Systems

**630-960-0308**  
[georgeandsonshvac.com](http://georgeandsonshvac.com)

**These are just some of the things we test and inspect:**

**HEATING INSPECTION**

- Inspect heat exchanger for cracks or deterioration
- Check combustion air chambers
- Inspect all unit wiring, check for burnt wires and tighten loose connections
- Evaluate air filters, burners and safety controls
- Evaluate blower motor, wheel and blower capacitor
- Inspect comfort control/thermostat
- Check system performance

**COOLING INSPECTION**

- Inspect cooling coil
- Inspect condenser fan motor and fan blade
- Check refrigerant charge by subcooling and superheat methods (if applicable)
- All safety controls will be inspected and tested
- Check condensate drain to assure it is clean and free of obstructions
- Evaluate contactor
- Evaluate capacitors, relays and inspect system wiring
- Check system performance

**ABOUT US**

George and Son's HVAC was founded in 1972.

Over 50 years and 3 generations later, we are still here, as a full-service HVAC company that meets and exceeds customer expectations each and every day.

George & Son's HVAC, Inc. sells, installs, and services all categories of residential temperature and comfort equipment, including furnaces, air conditioning units, hybrid heating systems, humidifiers and the most advanced indoor air quality devices. We are also experts with boilers, water heaters, digital programmable thermostats, and a wide variety of smart accessories to complete your system.

George & Son's HVAC, Inc. daily mission is to provide our customers with the highest level of service and we back that with our 100% Satisfaction Guarantee **OR YOUR MONEY BACK!**
